

DIPLOMA IN INVESTMENT & WALLET MANAGEMENT - Online Course TO MAKE & MULTIPLY YOUR MONEY

PROGRAM OBJECTIVE :

The objective of the **DIPLOMA IN INVESTMENT AND WALLET MANAGEMENT (DIWM)** program is to build a pool of **INVESTMENT** professionals for **Creating Wealth**, who can sustain the growing momentum of the wealth of the family and help the family to achieve new levels of ability and Wealth. KGES's unique training methodology focuses on building skills in the learner. This **Skill-centricity** is achieved through **Action Classrooms, Multi-modal learning and Industry Immersion** where the teacher is more a **Trainer-Facilitator** bringing out latent talent and fostering skill development, thus creating **WEALTH MANAGEMENT** professionals for the Family .

ABOUT THE PROGRAM :

The **DIWM** is a **One and Half month** program with **week days OR week end classroom sessions**. The program is unique in both its content as well as its methodology. The Programs blends **core domain knowledge and usable skills with technology familiarity, handling money & Creating wealth , effective wealth management and creates positive attitude**. Thus program is designed in the context of **modern-day Banking knowledge, hands-on application-orientation, technology-familiarity and creation of wealth .**
